ALL YOU NEED IS A TAPE!

Please Enter Actual Size of The Door

If the door is a new construct, deduct 0.5" from the opening. If it is a replacement, please enter the exact size

Measuring Tips

Step 1: Begin measuring the Width of the rough opening in 3 places-top, bottom and middle. Note the smallest measurement.

Step 2: Now measure the Height along the top, bottom and middle. Again, note the smallest of the measurements
